## HOW TO USE “LET P.O.O.J.A Listen”

- 1) Say “listen” once K.E.V.I.N stops talking.
- 2) Talk your problems to him.
- 3) Say “P.O.O.J.A Stop” so it stops hearing and gives response.
- 4) Say yes or no as per your choice on “do u want me to continue listening?”.
- 5) Say exit to quit at any time.

**Warning: Only use one model at a time, always say "Exit" and wait for the response before you start the next model, or else you will get two responses at the same time and a big mess!**
